WHAT IS IT?

Software coding is a perilous work. Bugs, karakatsanis and malicious software lurk at every corner (and code line), patiently waiting for their moment to strike. Luckily, the software industry has its own weapons to deal with these villains - a unique team of superheroes, wielding awesome powers to vanquish the evil. This website is dedicated to honoring them and revealing some of their relentless ongoing fight against the darkness.

WHO ARE WE?

Team "VERMATRIX GOLDENHIDE"

Ico developer and project manager

Yuli developer and quality assurance

Galin developer and scriptwriter

Toni developer and graphic designer

THANK
You!
